## Skills

### Design Skills:

Motion Graphic Design  
Logo Animation  
Micro-Interaction Design  
UI/UX Design  
Wireframing  
Basic HTML

### Soft Skills:

Creativity  
Problem-solving  
Collaboration  
Critical thinking

## Languages

|                 |                |
|-----------------|----------------|
| Persian (Farsi) | Native         |
| English         | B2 (IELTS 6.0) |
| Russian         | A1             |
| Finnish         | A1             |

## Hobbies & Interests

creativity  
observation  
cultural awareness

## Summary

I'm a designer specialising in motion, micro-interactions, and human-centred digital experiences. With over three years of experience, I create UI animations, logo motion, and explainer videos, translating ideas into intuitive and expressive visual interactions.

## Education

B.A. Industrial Design  
Iran University of Science and Technology (IUST), Tehran  
2011–2016  
GPA: 4.1 / 5.0

**Graduation project:** Urban furniture design for Sa'dabad Palace complex, inspired by Shams Palace motifs. Modeled in Rhinoceros 3D for Tehran Municipality.

### Relevant coursework:

Fundamentals of Visual Arts  
Basic Design Workshop  
Computer-Aided Design  
Modeling & Prototype Making  
Technical Design (Basics & Controls)  
Human Factors & Ergonomics

## Work Experience

- 2024 - Present | Neurofy, Inc (Canada)  
Logo Animation & Micro-Interaction  
– Created logo motion and micro-interaction animation for the 404 error page.
- 2023 | California Medical Weight Management (USA)  
Logo Animation & Micro-Interaction  
– Designed OTP motion, UI transition, and brand animation.
- 2023 | MATW Project (Australia)  
UI Designer (Desktop & Mobile)  
– Designed responsive layouts, UI components, and visual flows.
- 2023 | Sigma Bank (UAE)  
UX Designer (Wireframes)  
– Built low-fidelity wireframes for desktop banking dashboard.
- 2022 | Run Bazaar (UAE)  
Logo Animation  
– Produced brand animation for product launch.
- 2022 | Personal Client (Iran)  
Interaction Designer  
– Designed motion interactions for a personal portfolio website.
- 2021 | Dream Come True IT (UAE)  
Motion Designer  
– Created loading motion and New Year promotional animation.
- 2021 | My Credit (Iran)  
Logo Animation
- 2021 | Grid Engineering Group (Iran)  
Logo Animation

## Volunteering Experience

Created free logo animations for small local brands as part of volunteer design projects.
